Readiness for F2

Language

-I can talk about what we are doing now and what might happen later.  
-when I talk to you, sometimes I like a grown up to make myself clear.  
-I can use lots of words about things that's interest me. I like to learn new words.

### Ideas to help your child at home...

- ◆ Talk to your child as much as possible having conversations with them.
- ◆ Ask them questions about what they are doing/what they see so they have to respond.
- ◆ Talk through your actions so they can hear the spoken language like 'I went to the farm and I saw....' "I need to need to wash the dishes because..."
- ◆ When your child speaks about something extend their sentences adding more detail.
- ◆ Use the correct words for items/objects
- ◆ Talk through your child day/week with them.
