12<sup>th</sup> May 2020

Dear Parent/Carer,

The Prime Minister announced on Sunday 10<sup>th</sup> May 2020 that the government may be in a position to implement a phased approach to reopening primary schools from 1<sup>st</sup> June 2020, starting with children in Nursery, Reception, Year 1 and Year 6.

The detailed guidance on how we should operate once open was published on the evening of 11<sup>th</sup> May 2020 and we are working through this guidance to develop the safest and most sensible approach to the phased re-opening of your child's school.

Please be assured that we will continue to have the highest regard for your child's health and safety at all times along with that of our staff.

I appreciate you may have lots of questions and we ask for your patience and understanding while we work through the guidance. Once we are confident our plans meet all the guidelines issued and we feel they are achievable these will be shared with you.

A short electronic survey will be issued to you later today, to give you the opportunity to put forward any concerns you may have so that we can look to incorporate these into our plans and to help us understand how we can reassure you about the safety of your child(ren).

Thank you for your continued co-operation during this difficult time.

Yours sincerely

M Priestley

Melanie Priestley
