

Reception

Home Learning Pack 4

Hello again!

I hope you are all safe and well, please do continue to keep in touch. Some of you have wrote some lovely letters and sent them to school, your replies should be with you soon!

Our topic of Superworm and minibeasts continues and we then move on to our topic of 'Space'. Start having a discussion about what you would bring with you and complete the list of top 10 items.

As always, these activities and resources are there to use should you want to. There is no expectation that they are all completed, our main priority is your safety and wellbeing during this time.

Some useful websites and resources to use:

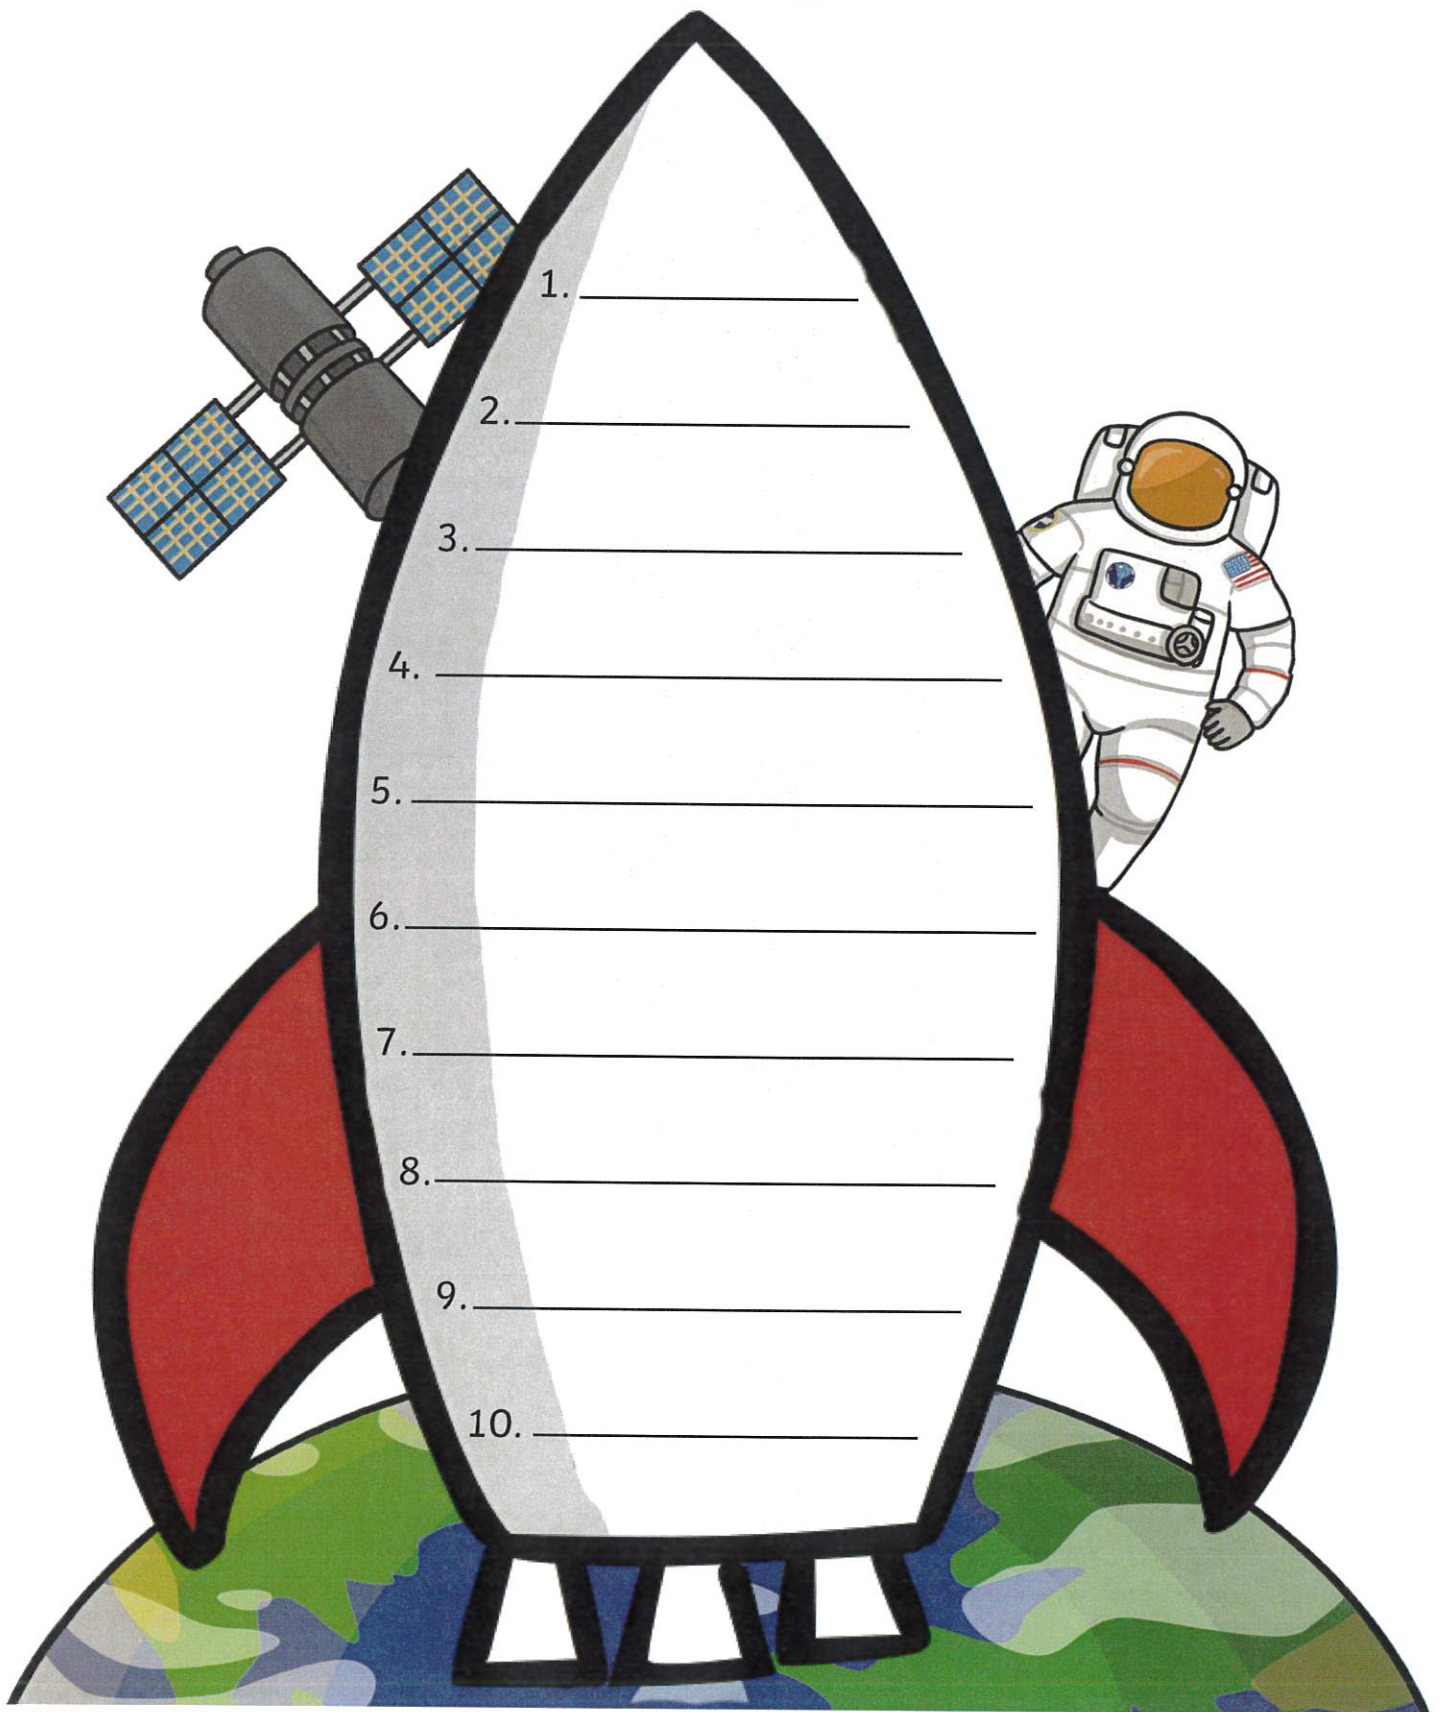

- <https://barnsley-stmarys.org.uk/category/reception>
- <https://www.twinkl.co.uk/resources/parents>
- <https://www.topmarks.co.uk/>
- <https://www.oxfordowl.co.uk/>
- <https://www.tts-group.co.uk/home+learning+activities.html>
-

I am always available to contact on Twitter @miss_gulliver or by email c.gulliver@smat.org.uk.

Thank you and miss you!

Miss Gulliver

10 Things I Would Take to Space in My Rocket

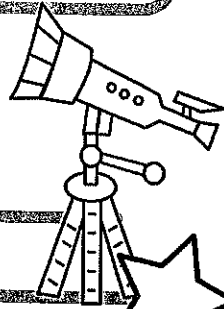

New Planet Discovery

The new planet is called... _____

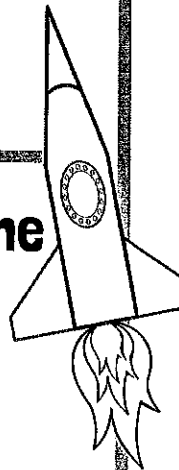

What does it look like? (Do they have plants, what colour is the sky?)

Who or what lives on there?

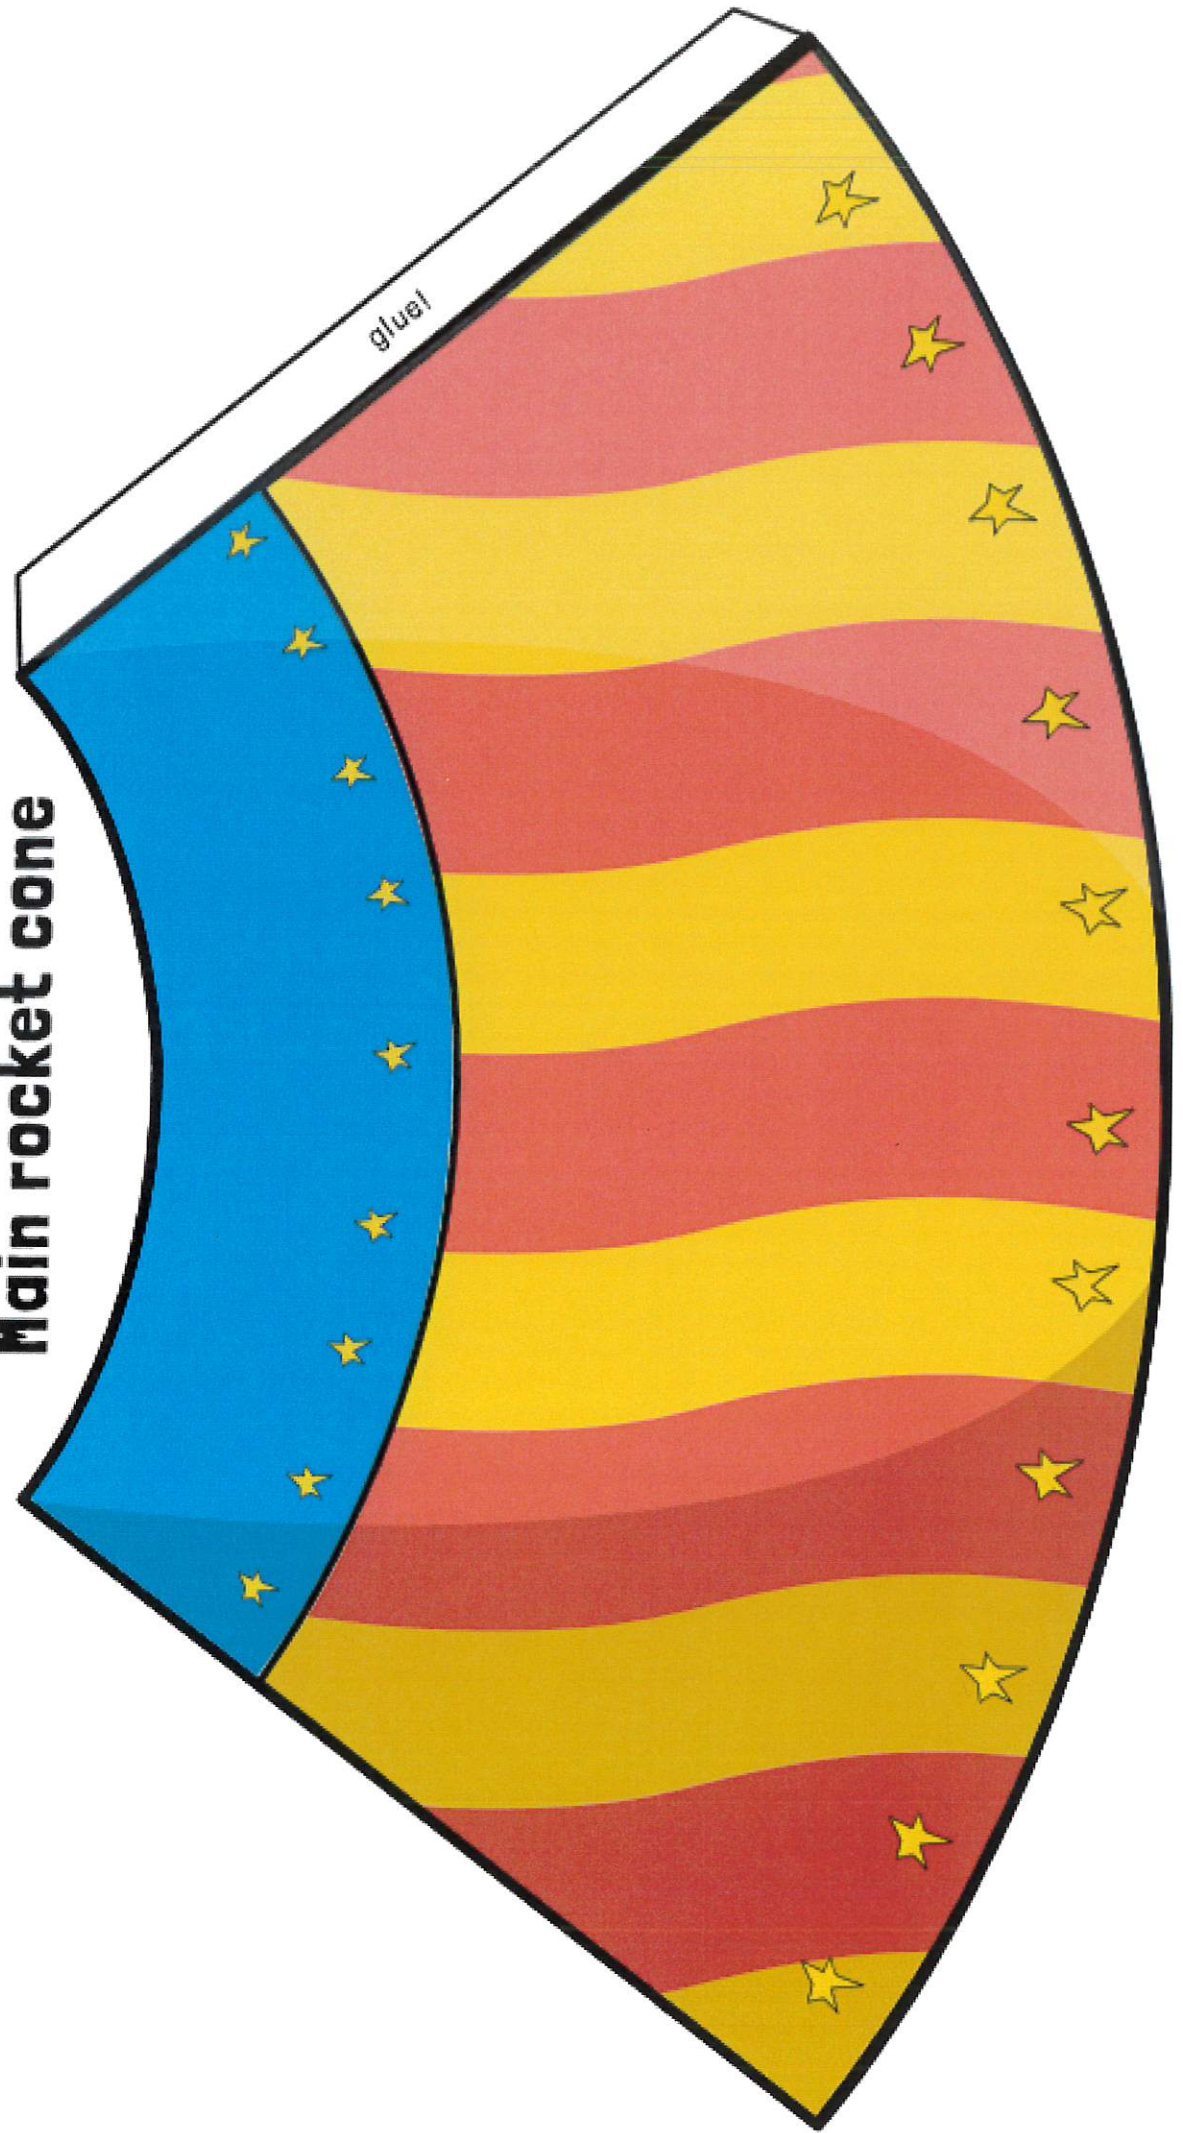

How do they live? (Describe food, travel, houses and jobs.)

The best thing about the new planet is...

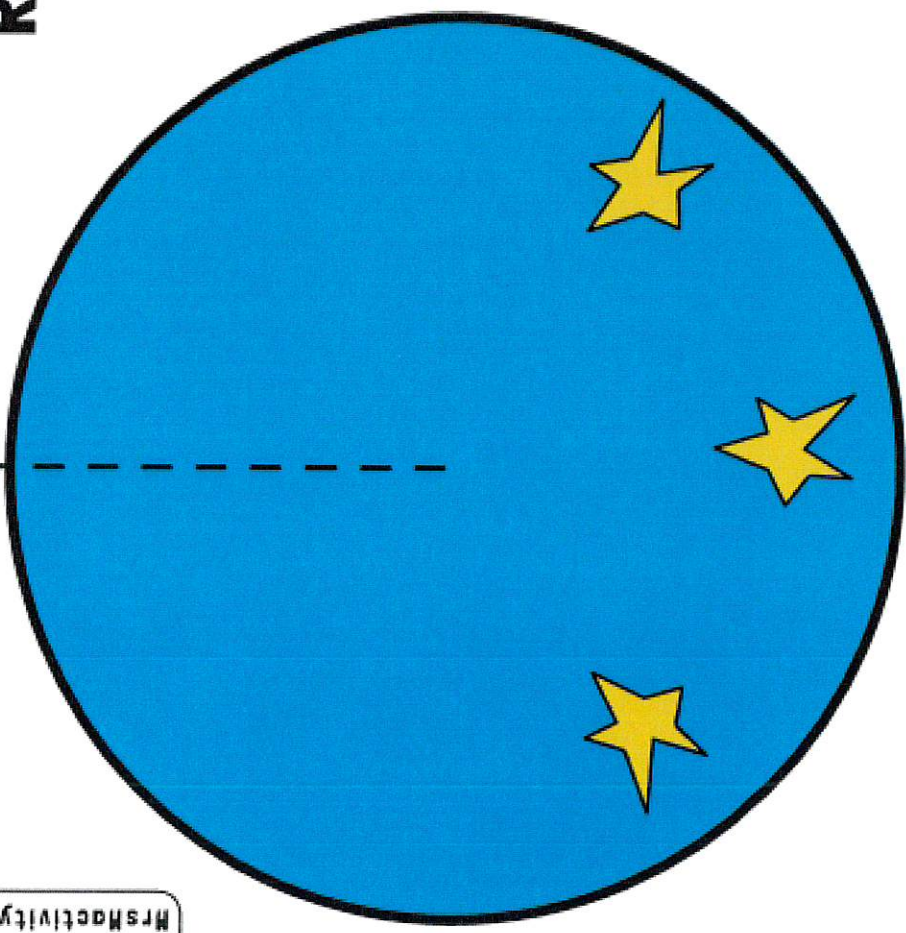

Colour in the page!

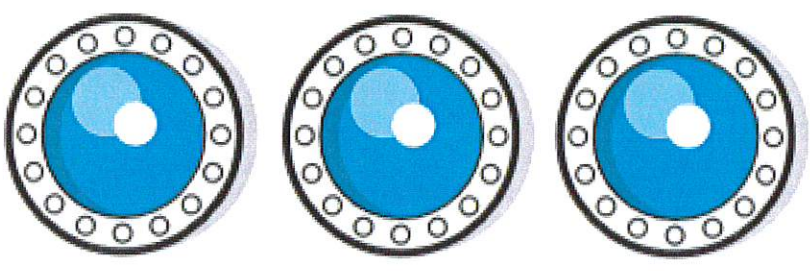

Main rocket cone

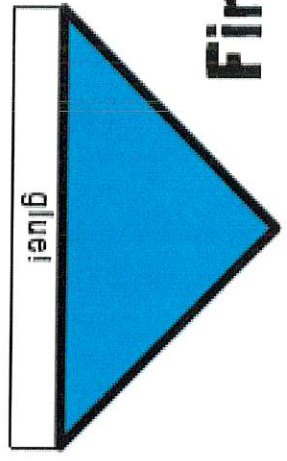

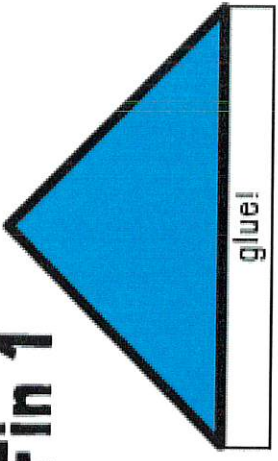

Rocket's nose

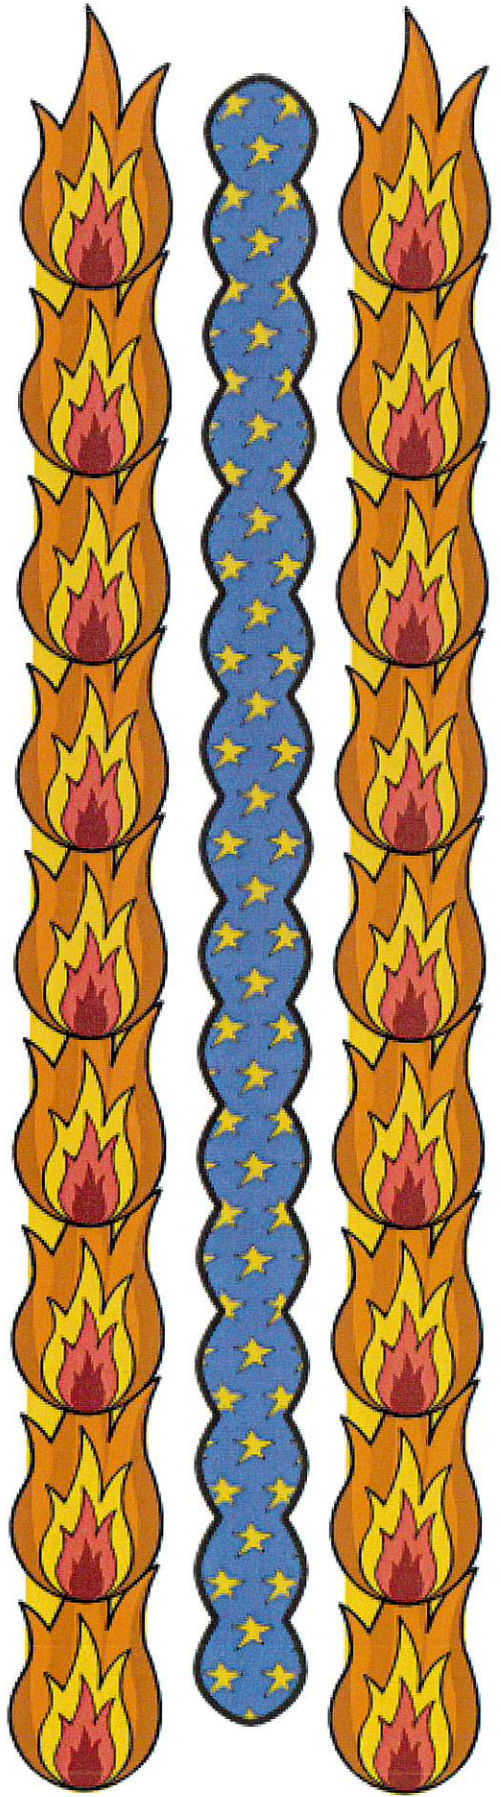

Rocket's windows

Fin 1

Fin 2

Minibeasts

I Spy and Count

Minibeasts

I Spy and Count Checklist

Count the number of each type of minibeast and write the numeral in the box.

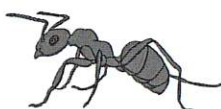

ladybirds

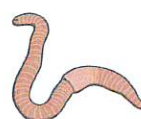

caterpillars

ants

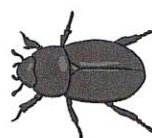

worms
