

## HOME LEARNING - LITERACY

I have included some SPaG work for you, but I'd also like you to do some creative writing!

### Story

I would like you to write a story that is based on our topic, Animal Antics. You can write about absolutely anything, but here are some ideas to help you start.

- A story from the point of view of your pet.
- A story about a farm or zoo.
- A story where an animal goes on an adventure (like Paddington!)

Please use this checklist to help you include different features.

Feature	Have I included it?
Capital letters	
Full stops, exclamation marks, question marks	
Adjectives to describe	
Conjunctions (and, but, so) (because, when, if, that)	
Check your writing is all in the same tense	
Senses - what can you see, hear, touch, taste, smell?
