Dear Parents/Carers,

This week has been a very busy week in school with so much happening. We have had Bikeability in Years 1 and 6. The children were excellent and enjoyed taking part. We started Rocksteady music lessons in school with a record number of pupils taking part. It was a delight to hear the music in the corridors on Tuesday morning. We also had a whole school Mass on yesterday in school; Father Stephen commented at how well our children engaged. Finally, today saw our Jubilee celebrations in school. Children have enjoyed taking part in activities throughout the day. The tea party was magnificent!

Parents/carers of children in Reception, Year 1 and Year 2 your child is entitled to a free school meal every single day. We have a fantastic range of options that work on a 3-week cycle. It is lovely seeing more and more children trying different foods we have available. Menus are available on Twitter or a paper copy is available from the Office.

Quick reminder

Our Year One pupils will sit their phonics screening check when we return to school- please keep reading with your child at home. Regular practise and support from home is vital to success in reading.

Vortex – Last day for orders is 21st June 2022
