We would be delighted if your child could stay for a school lunch, not only would they be having a well balance nutritional meal, but it will also save you time in the mornings to sit down for a family breakfast and save money by reducing the times you might have to go shopping for lunch ingredients.

Enjoying a nutritious two course school meal at lunchtime supports academic attainment, helps children to concentrate better and has a positive impact on behaviour in the classroom.

We look forward to serving your child a delicious hot meal

Thank you for your ongoing support!
